

ARS Forum SRS, ICAR-NDRI, Bengaluru

CONDOLENCE MEETING PROCEEDINGS OF LATE Dr M.S. SWAMINATHAN

Date: 29-09-2023

All Scientists of Southern Regional Station of ICAR-National Dairy Research Institute, Aduodi, Bengaluru assembled in front of Administrative Block to condole the death of Dr M.S. Swaminathan, former DG of ICAR & a renowned Agricultural Scientist. Dr Arindam Dhali, PriSci& Head of SRS, ICAR-NDRI said that the death of DrSwaminathan, Father of Green Revolution, was a great loss to the country and his contributions in the field of Agriculture made the country self-sufficient in food grains. Dr K. Jayaraj Rao, Pri Sci & President of ARS Forum of SRS, ICAR-NDRI, Bengaluru read out the brief biography of late Dr Swaminathan and recalled his great achievements. All the Scientists observed a minute's silence in honour of the late Father of Green revolution.
