I met professor firstly after joining MSSRF on 2005 , we came to chennai and met him in the morning of that day , he hold me closly and gave a gentle kiss on my forehead and showered his blessings that was the first experince in my life this changed my mind set and I wish to continue here in Wayand with the MSSRF family . I dnt know how to express the gap he made in my mind . At that difficult time i couldnt able to come over there as my father passed away recently , i wl come once there to meet you in person ..
