Subject: Deep heartfelt condolences

Deep condolences. Very sad to learn that pioneer of green revolution in India and most respected and renowned Agricultural Science leader is no more. He left for heavenly abode today. Most of the retired scientists, now elderly senior citizens, are his disciples, those had been motivated team of Dr MS Swaminathan ji, a noble gentleman, dedicated to the progress of agricultural science, the scientists and the farmers. India came out from ship to mouth and begging bowl situation under his innovative leadership to lead India to plentiful. His contributions are immense of great immanence and significance with creative foresight and credible mission. He had been Director IARI, Director General, ICAR and the IRRI. He was honoured with Padm Vibhushan, World Food Award and many others. We are all obliged to him. We pray Almighty that the departed pious soul of this great son of India rest in peace in heaven and give enough strength to his family members and relatives to bear this great loss. ॐ शांति, शांति, शांति.

Dr. B. S. Rana and his family members, the retired Director ICAR-IIMR Hyderabad, now in Dwarka, New Delhi
