The Executive Director at  
M S Swaminathan Research Foundation,

We are very sad indeed to know our loving Father of Green Revolution Dr M S Swaminathan is left all of us for heavenly abode today afternoon.

He was a genuine person, most dedicated and innovative.

Entire of his life was utilised with plants,trees and soil.

Plants , trees, soil and water etc was his trusted and loving friends. He was mixed and helped famers like a trusted and genuine friends.

He was never dreamed any honour or citation from Gov or any organisation.

He was an iconic and real Titan of India and other countries. Father of Green Revolution.

It is a big void but we believe you will lead his legacy and teaching.

We convey our grief and condolences to you all in foundation and member of his family.

God bless to keep his eaternal soul in rest in peace.

Sincerely yours

David Ghosh and Church Members
