Subject: Condolences in the the demise of beloved Professor

Dear Dr.Soumya

Kindly accept the deepest condolences in the demise of our beloved Professor.

Professor will be ever remembered for his visionary contributions and services in the field of development

.
As a sincere disciple of Professor, I consider his departure as my personal loss too.I was fortunate to be associated with Professor and Madam Mina to establish the centre for Gender Studies in the Kerala Agricultural University .

Wishing immense strength to you all in the family and Foundation to bear the heavy loss.

Best regards
