Dear Dr. Soumya Swaminathan,

The Deepalaya family conveys its deepest condolences on the passing away of your dear father, Professor M S Swaminathan. He was a living legend and the Father of Green Revolution. His work touched the lives of many millions in a transformational way. His care for the underprivileged and the unreached is something that will always be remembered by a grateful nation.

On a personal note, I recall with gratitude his role as a mentor and teacher. I am deeply indebted to him.

We at Deepalaya pray that God may give you and the family the strength to bear this loss.

With regards,

Sincerely,

George John
