Subject: The greatest benefactor

India should never forget Dr Swaminathan, a great scientist, à True humanitarian , à disciple of Mahatma Gandhi . He saved millions of lives around the world. Progress he used to say , should always focus on the poorest woman in India. If she does not benefit from it , it is not progress. I dare say , nobody I ever met had more influence on my world view.

Dear Guy,

Thank you very much for your kind letter. Please do let me know when you come to India next.

With warm personal regards,

Yours sincerely,

M S Swaminathan
