**Subject:** Great loss of Dr MS Swaminathan

Heartfelt condolences for the sad demise of DrSwaminathan, great scientist and father of green revolution. He was like a father to me and my guide for Ph.D. I was associated with him since 1958. He was my mentor and guide .Pray to God to provide peace to the departed noble soul.

It is a great loss for all of us who have been guided by him.

Dr H.C.Bansal
