Dear Dr. Sowmya Swaminathan (WHO chief from Asia Pacific region) and scientist at NIRT ICMR.

I express greatest regret on the passing away of the great scientist and agricultural reformer Prof Dr Swaminathan (MSSRF— founder) last week in September— October 2023.

He was there during my MSc Convocation in 2003 at University of Madras, Centenary auditorium.

May god be with you during these difficult times madam.

Thanks and kind regards,

Harini Rajeev
