Subject: Heartfelt Condolences on the great loss

Dear Sangeetha:

Please accept my heartfelt condolences for the loss of Dr Swaminathan. As much as it is a huge loss for the nation, I understand the pain that all of you at the MSSRF and especially his family will be through. I wish and pray you all gain strength to accept and carry forward his mission on sustainability.

Sorry, I had been travelling and came to know of the news just now. Immediately, we presented a tribute to the green revolution architect of India in our October 2023 issue. Please find the link to the same and I have also attached the PDF version. <https://industrialeconomist.com/tribute-m-s-swaminathan/>

Dr Swaminathan was a close associate of our magazine and was a well-wisher and constant at several of our efforts. We reminisce with love his silent demeanour which became vocal for things close to his heart.

His loss is irreplaceable. Wishing you all great strength to stride through.

Regards

Jayanthi Raghunathan
