**Subject: Sincerest condolences**

Dear Soumya,

Gathered from the newspapers about the passing of Dr. MS Swaminathan. Please accept my heartfelt condolences. Howsoever ripe, the loss of parents is one of the most significant events in life and I pray for the courage to the family to bear this loss. Our nation is proud of him, his legacy will remain for years to come, and his DNA continues in 3 equally brilliant souls and beyond. May he rest in peace.

Kind regards,  
Jagat
