29th September 2023

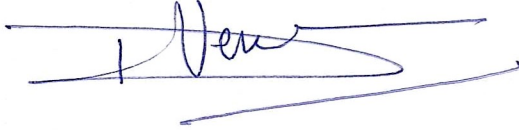

Dear Ms. Dr. Soumya, Namaskar

I was indeed greatly shocked, surprised to read the sad news of demise of your revered father Dr. M.S. Swaminathan, a well-known, recognized and noted Agriculture Scientist of Eminence.

The solemn promise he had given to citizens of India, during his life time, that none would go to bed with hungry stomach, was greatly fulfilled single handedly by him. That itself has been a great achievement on his part.

In this hour of bereavement, I offer my heartfelt condolence to you and your entire family. I also pray to God to give you all courage and strength to bear the loss with fortitude.

May his soul rest in eternal peace.

Justice Deepak Verma
