Dear Dr.Soumya Swaminathan,

I am pained to note the sad demise of Dr.M.S. Swaminthan, a renowned agricultural scientist and acclaimed as the father of the Green Revolution of India during the nineteen sixties, that brought the country out of recurrent famines and hunger. He has done a yeomen service to this country.

Dr. Swaminathan was not only an agricultural scientist but also was involved in population policies and programs over the years. I was Director and Senior Professor of the International Institute for
