Sub: Passing away of Prof. M.S. Swaminathan

Dear Dr Soumya Swaminathan,

We are shocked to hear the sad demise of Professor M S Swaminathan, yesterday in Chennai.

Prof. Swaminathan, a great agronomist and geneticist, through his Green Revolution, transformed the begging bowl into a breakfast. No doubt, Govt. of India, UNESCO, and other International Organizations bestowed on him several honors and recognitions for his scientific contributions.

Recognizing his invaluable contributions to the Nation, JNCASR bestowed upon him the "Honorary Fellowship" in the year 2009. The other recipients this prestigious fellowship are (a) Dr K R Narayanan, former President of India (b) Bharat Ratna Dr. C. Subramanian, former Governor of Maharashtra (c) Dr Manmohan Singh (d) Dr Raja Ramana (e) Dr. N R Narayanamurthy, Co-founder of Infosys, to name a few.

Jawaharlal Nehru Centre for Advanced Scientific Research (JNCASR) deeply mourns his death and pray for the family to give strength to bear this bereavement.
