Subject: Condolences

Dear Dr Madhura Swaminathan,

Sad to know the demise of Professor MS Swaminathan, a Great Legendary in the history of Indian Agriculture, Father of Green Revolution of India, a great human being and a scientist who will find a permanent place in Indian history in achieving food security.

I am proud to share that he is an alumnus of University of Agricultural Sciences, Bangalore being bestowed with Honorary Doctorate. During my tenure as Vice Chancellor of UAS (2010 to 2014), he visited twice - once to deliver the convocation address during the Golden Jubilee year and another occasion to inaugurate the international conference.

Everyone feels proud of his contributions both in India and abroad.

My prayers to the departed soul to rest in peace. May God bestow strength to bear the irreplaceable loss to your family.

Om Shanti.

Prof. K. Narayana Gowda

President, International Society of Extension Education (INSEE)

Nagpur, Maharashtra

Former Vice-Chancellor, Univ. of Agril. Sciences, Bengaluru

No. 3, 6th Cross, Navya Nagar, Jakkur New Extension,

Bangalore North Taluk, Bangalore, India – 560064.
