Although Dr. Swaminathan left the physical world, his contributions to the country will inspire and nurture the younger generations. We pay our utmost reverence to him at this time.

Śrī Īsopaniṣad 17-18

May our temporary bodies be reduced to ashes, and may the breath of our life be merged with the Immortal source of all life.

O Lord, please remember our sacrifices, for You are the enjoyer of our sacrifices; please remember our good deeds, for You are the beneficiary of our good deeds.

O Lord, as powerful as fire, O omnipotent one, lead us on the right path to reach You.

O knower of our deeds, deliver us from evil; remove all hindrances on our path to You. We bow and pray again and again.

Om shanti.
