### CONDOLENCE MESSAGE

University of Agricultural Sciences, Dharwad is deeply saddened on hearing the news of sad demise of Professor, Dr. M.S. Swaminathan a legendary agricultural scientist, a key architect of Indian Green Revolution. This University has been immensely benefitted by his guidance and association and foundly remembers his visit and interactions. These associations are continued with M.S. Swaminathan Research Foundation (MSSRF), Chennai. The entire functionaries of the University and students with deep gratitude, pay our attributes to this all great soul of our times.
