Subject: Re: Fw: Digital Agriculture Mission in AP- Request for appointment - Reg

To
The MSSRF and family members,

I am shocked on hearing the news that Dr. M S Swaminathan passed away today morning.
I have been meeting him several times from the past 20 years.
He appreciated my portal on " www.indiakisan.net<<http://www.indiakisan.net>>" and expressed that " Exactly this I want to my farmers"
He launched my portal
[<http://www.bharathgramarogya.net><<http://www.bharathgramarogya.net>>]www.bharathgramarogya.net<<http://www.bharathgramarogya.net>>
portal in Visakhapatnam in 2008. I addressed in the meeting by calling him as " Father of the Farmer"
He invited me to his 85 th birthday Conference in 2010.
He appreciated my book of report on Digital agricultural mission in India .
I feel that India has lost a great visionary leader guide and advisor and good friend and father of the Indian farmer
I express my deep condolences to the bereaved family and I pray god to give strength to his family members to bear the great loss. May his soul rest in peace.

Prof M. Surendra Prasad Babu
