Subject: Homage to Professor M. S. Swaminathan

Respected Dr. Soumya Ji,

We are deeply grieved and shocked by the sad demise of the most revered Prof. M. S. Swaminathan - the architect of India's Green Revolution, transformer of the country from "Ship-to-Mouth" status to "Right-to-Food" situation, and savior of millions of lives. In his passing, the world lost a great visionary and humanist scientist. May the departed Noble Soul rest in heavenly eternal peace.

Professor Swaminathan will always remain with all of us in our memories and science pursuits. His legacy and endearing persona will keep guiding and inspiring coming generations, especially youth and women, to build a prosperous, inclusive, and evergreen New India.

Our heartfelt condolences to you and the family. We pray to God to give you strength to bear this unbearable loss.
