Subject: RE: MSSRF digital infrastructure

Dear Ms Soumya,

I am deeply saddened by the demise of your father, who revolutionized the agricultural landscape of India and touched millions of lives worldwide. As the entire world mourns, words fail to express our gratitude to your father and family. Please accept my sincere condolences during this difficult time.

Your father's legacy will continue to live on through your passion and perseverance, as you have always done in your magnificent style, impacting human lives and catalyzing positive societal changes.

Also, I wanted to inform you that today is my last day at Cognizant Foundation, and I am handing over my responsibilities to Deepak Prabhu Matti, who has taken over as the new CEO of CF India. It has been an honour to be part of the Cognizant Foundation and interact with visionary leaders like you. I am grateful for the opportunity.

Deepak will reach out to you at an appropriate time.

Warm Regards,
Rajashree N
