Subject: Condolences

Dear Soumya,

My wife Madhu and I convey our sincere condolences to you on the passing of your esteemed father Dr. M.S. Swaminathan. As a longtime member of the Governing Council of the Population Foundation of India I have had the pleasure of interacting with him on a few occasions. PFI was in deed lucky to have a man of his intellect, commitment and stature as chair of its advisory committee. In your father, India has lost one its greatest scientific minds, a man who changed the face of Indian Agriculture. We pray that his soul may rest in peace.

Personal Regards
