Dear Soumya Swaminathan ji,

I am writing to you to express my heartfelt condolences on the demise of your father Shri MS Swaminathan ji. The pain of Shri Swaminathan's passing away is being felt by the entire nation today. Shri Swaminathan's dedicated work in the field of agriculture transformed the lives of millions and ensured food security for our nation, earning him the title of the 'Father of Green Revolution and Economic Ecology'.

Dr Swaminathan was a multifaceted personality whose invaluable contributions to the fields of agricultural research and innovation changed the course of history. While India has lost its true gem, I understand that for you and your family the loss is deeply personal. I pray that you, your family and millions of Shri Swaminathan's admirers find the strength to deal with the loss. Please accept my deepest condolences on your father's demise.

Dr. Swaminathan will continue to live among us through the body of his work.

I pray his soul rests in eternal peace.

Sincerely,
