Dear Dr. Soumya Swaminathan,

Our deep condolences to you and other members of your family on the sad demise of your beloved father Prof. M. S. Swaminathan.

I had known him from 1954 when I was a student of the U.P. and High Schools in Avittam Thirunal High School, Mankombu. There were also occasions for me to address the audience when he came to the school and gifted Rs. 50 Lakhs for the development of the school. I had also known him during the days I was Agricultural Production Commissioner in Kerala.

His demise is a great personal loss to me also. I wish you all the strength to withstand the sad moments you are passing through now.

With best wishes,

Yours Sincerely,

P.K. Sivanandan
