

Dear Saranya, Madhura and Nitya,
Our deepest respects for Dr Swaminathan
and his great achievements.

Mama, Deepthi and Anjua, Abha and
Claude, Shubha's family, offer you our
profound condolences.

Your father had a very special
relationship with Anurobe and he
brought so much good to this
experiment.

On behalf of all our family
and also the larger Anurobe
family —

Mama and Deepthi
