Subject: Our condolences on the passing of Prof. Swaminathan Sir.

Dear Both,

I want to convey that we all at CABI are deeply saddened & sorry to hear about this terrible news, and wanted to pass on our condolences to everyone at MSSRF – as we work more closely with you both so request to please do this favour.

Please do also share our sympathies with Professor's family. It is a hard thought to think of losing a very polite and forward looking personality Prof. M. S. Swaminathan Sir ! however, we have to accept this reality and pray his noble soul rests in Peace !

It was always a pleasure to stand beside this tall personality and the ***Architect of Green Revolution*** in India, and to discuss collaborations with him.

Regards,

Dr. Vinod Pandit
