Respected Madam

With utmost grief I submit to convey my heartfelt condolences for the passing away of legendary Professor and your beloved father. It is a great loss to the family and friends and also for entire agricultural fraternity and the nation as a whole. There are no words to express my grief. I pray Almighty for his soul to rest in lotus feet and also give strength to your goodself and family and friends to bear the irreplaceable loss and continue to run the institution in the path laid by him and fulfill his vision. Let his divine soul guide the nation in upholding the evergreen revolution goals of the nation

Thanking you

Yours sincerely

M. R. Latha

Professor
