

(GGPV) GP-GIS plan verification application User Privacy Policy

Introduction and purpose

The Gram Panchayat-GIS plan field verification application (GGPV) is an Android-based application designed to verify the GIS based GP plan prepared by the Department of Panchayat Raj and Rural Development, Govt. of Andhra Pradesh officials for validation of the GP GIS plan in the field.

The development, promotion and scaling up of this application is being developed by M S Swaminathan Research Foundation in partnership with GiZ, Delhi and Department of Panchayat Raj and Rural Development, Govt. of Andhra Pradesh .The GIS plan and data are provided by the respective State Rural development department Government of Andhra Pradesh

This application is allowed to be downloaded at free of cost for all the interested users and no person shall charge fee for this.

This page is used to inform users about our policies with the collection, use, and disclosure of Personal Information if anyone decided to use our Service.

If any stakeholder chooses to use our Service, they need to agree to the terms and conditions of this policy.

The terms used in this Privacy Policy have the same meanings as in our Terms and Conditions, which is accessible at GP-GIS plan verification application (GGPV) unless otherwise defined in this Privacy Policy.

Information Collection modes and use

For a better experience, while using our Service, we may require you to provide us with certain personally identifiable information during registration, including but not limited to Name, Phone no, occupation, email id, State, District, Current Lat and Long position. The information that we request will be retained and used by us for the purposes as described in this privacy policy.

The Personal Information that is gathered will be used for providing and improving the Service. We will not use or share your information with anyone except for the purposes as described in this Privacy Policy.

We want to inform you that whenever you use our Service, in a case of an error in the app we collect data and information (through third-party products) on your phone called Log Data. This Log Data may include information such as your device, device name, operating system version, the configuration of the app when utilizing our Service, the time and date of your use of the Service, and other statistics.

Service Providers

We may employ third-party companies and individuals due to the following reasons:

To facilitate our Service;

To provide the Service on our behalf;

To perform Service-related services; or

To assist us in analyzing how our Service is used.

We want to inform users of this Service that these third parties have access to your Personal Information. The reason is to perform the tasks assigned to them on our behalf. However, they are obligated not to disclose or use the information for any other purpose.

The app does use third-party services that may collect information to identify the user who has been accessing the application.
