

Job Title	:	District Coordinator
Code	:	DC061124
Project	:	Comprehensive Project on Rice Fallow Management 2024-25
AboutMSSRF		<p>The M. S. Swaminathan Research Foundation (MSSRF) was established in 1988 as a not-for-profit trust by Professor M. S. Swaminathan. The Foundation aims to accelerate the use of modern science for agricultural and rural development, as well as the adaptation and dissemination of technology to improve lives and livelihoods of tribal and rural communities. MSSRF follows a pro-poor, pro-women and pro-nature approach and applies appropriate science and technology options to address practical problems faced by rural populations in agriculture, natural resources, food and nutrition.</p> <p>The Foundation works in the areas of Integrated Coastal systems management, Agro-biodiversity, Conservation and sustainable use of natural resources, Ecotechnology and Agriculture, Health and Nutrition / Economics, with application of cutting-edge biotechnology and digital technologies across programme areas. MSSRF is currently working in six states of India. Please visit our website for more information. http://www.mssrf.org</p>
